Borderless Tables

The table below has no ruling lines at all.

	Current process	Model A
Main approach	Scheduled maintenance + warning signs + engineer judgement	Simpler model
Bus age, mileage and service history	Yes	Yes
Previous repairs/faults	Used manually	Yes
Warning codes	Used manually	Yes
Technical complexity	Low	Higher

Both models update their risk score every evening.

Ruled Table

Ruled A	Ruled B
one	two
three	four
